

Important: Always disconnect the power before installing or replacing bulb and before cleaning or other maintenance.

Assembly & Installation Instructions

1. Place the base on the floor.
2. Insert the upper stem into middle stem, secure with countersunk screws.
3. Insert the middle stem into the lower stem, with the slot on the middle stem aligned with the stopper on the lower stem.
4. Plug in the cord. The dimmer switch is located on the cord.

CARE INSTRUCTIONS

Dusting – Use a clean, dry cloth.

Cleaning – To protect the finish, avoid any harsh abrasives or chemicals.
